

To all members and friends of The Greater Chattanooga Hospitality Association!

It's that time again! On April 21, The River City Company is sponsoring its annual "Clean and Green" event. Each year, a group of volunteers gathers to go around the city making it, well, clean and green. There are fun projects and there is something for everyone to do.

This goes to the very essence of hospitality. It helps all of us to present our city as beautiful and environmentally concerned to our guests, so not only is participation a good thing to do, it is good for our business!
